

MEMORANDUM FOR: Director of Central Intelligence
THROUGH: Deputy Director (Intelligence)
SUBJECT: Instances of Lack of Cooperation by Domestic Organizations 1 October 1956 - 31 December 1956

1. This memorandum contains a recommendation submitted for DCI approval. Each recommendation is contained in paragraph 3.

2. In February 1956, you requested that [REDACTED] furnish you on a quarterly basis with a list of companies which had proven to be uncooperative [REDACTED] This is the fourth such report. During the period covered by this memorandum, and also for the three months prior to this period, [REDACTED]

[REDACTED] have reported no lack of cooperation on the part of their contacts.

3. Recommendation. Since this is the second quarterly report of a negative nature, and since previous reports indicated only three instances of lack of cooperation, one of which appears to be on the mend, we recommend, subject to the DCI's approval, that the quarterly reporting system be abandoned, and that we substitute specific reports to the DCI of significant instances, as they occur, of lack of cooperation on the part of contacts.
